Financial Updates/Discussions:

Where we are now: Opening Balance and Statement Information

****Currently sitting at approx \$7700. We want to leave 3k untouched as a buffer. Deduct this and we have about \$4700.**

****A vote was taken to approve the rental of a 5x5 storage unit @ Public Storage Self Storage for 1 year at \$32/month to store many items that boosters need over the course of the year (totes with fundraising supplies, banquet supplies, etc.) A vote was taken and 11 voted yes, one abstained (did not vote via zoom). Motion passed.**

****Another vote was taken to approve for the boosters to pay the cost of the coaches to attend camp. The cost for two coaches to attend TSC is approx \$1200 and the cost for two coaches to attend USA camp is approx \$1480. Included in this proposal is the caveat that coaches will offset this cost by agreeing to use one of the three school cheer accounts for other student expenses such as bows, poms, Jr. Tigers shirts (for the Millennium cheerleaders), and/or breast cancer awareness shirts (these are suggestions only). Coaches will use this account to pay approx the same amount towards student expenses as spent for coaches to attend camp. A vote was taken and 11 voted to approve the motion and 1 abstained (did not vote via zoom). Motion passed.**

****Another vote was taken to approve the allocation of booster/fundraising monies to pay for the cost of summer stunt clinics (as opposed to requiring parents to pay out of pocket). 11 voted yes and 1 abstained (did not vote via zoom). Motion passed.**

Cost Sheets for both competitive and non-competitive teams will be updated after Coach Madison creates competitive teams. August/September

Calendar: Fall/Winter Calendar will be distributed by our July meeting

****A suggestion was made to host a parent mixer once Freshman cheerleaders were chosen. This gives an opportunity for parents to get to know each other and hopefully gain more attendance in the booster club.**

****Meeting adjourned @ 7:13pm**
